

## HAVE TRADE DAYS AND GIVE REBATES

Norfolk Merchants and the 200,000  
League Adopt Plan to At-  
tract Buyers.

## CEASE CHARGING DEMURRAGE

Norfolk and Western Makes Con-  
cession Which May Help Ship-  
pers—Receivers on Trip.

[Special to The Times-Dispatch.]  
NORFOLK, VA., July 7.—Norfolk has  
joined the van of cities which will have  
trade days set apart in each week for  
out-of-town buyers, the purchasers to  
be refunded their railroad fares by the  
merchants, where the purchases justify  
it.

The coupon system will be used, and  
by this means shippers can trade with  
a half dozen merchants, and by applying  
to the 200,000 League secure the  
return of their money for railroad fare.  
People within a radius of forty miles  
will be given free transportation upon  
the aggregate purchases of \$10, and  
within a radius of eighty miles, double  
that amount.

The movement is backed by the re-  
tail merchants, as well as the 200,000  
league, and it is believed that the ma-  
jority of merchants in the city will  
enter the plan.

**Cease Charging Demurrage.**  
The Norfolk and Western Railway  
Company have advised coal and coke  
shippers here that after July 6th there  
will be charged no demurrage upon  
coal and coke for transshipment at  
Lambert's Point coal piers, Norfolk.  
The tariff canceled and withdrawn  
is officially designated Tariff C and C,  
2,999, 1 C. C. No. 2,283 B. The cir-  
cular, which is signed by T. S. Davant,  
third vice-president and traffic man-  
ager, D. E. Spangler, superintendent of  
transportation, and T. D. Hobart, a  
C. agent, Norfolk and Western Railway.  
Coal shippers characterize the action  
of the Norfolk and Western as liberal  
and progressive and express the hope  
that all demurrage charges which have  
accrued since October last, when the  
panic ensued, may be remitted.

It is said that the Chesapeake and  
Ohio Railway Company ceased charg-  
ing demurrage last October.  
The coal movement from Norfolk,  
which has been very small, appears to  
be increasing somewhat, and shippers  
are hopeful that the future may be  
brighter.

**On Tour of Inspection.**  
Receivers Fitzgerald, Kerr and Wol-  
cott, of the Norfolk and Southern, left  
to-day on their first trip over the road  
on a tour of inspection. They will go  
over the entire road and its main fea-  
tures. The trip is being made in a pri-  
vate car, and the receivers are accom-  
panied by several of the higher officials

**For Half-Holiday.**  
A movement was inaugurated to-day  
among the retail merchants for early  
closing on Saturdays for the remainder  
of the summer months. The proposi-  
tion is to close all stores Saturday at  
1 P. M. giving the clerks a half-holiday  
preceding the Sabbath. The retail  
merchants have been called to consider  
the matter on Thursday afternoon. It  
is believed that all of the leading re-  
tailers will go into the movement.

**To Repair North Carolina.**  
NORFOLK, VA., July 7.—The ar-  
mored cruiser North Carolina arrived

In Hampton Roads to-day from More-  
head City, N. C., where she last week  
received the silver service presented to  
her by the people of that State of North  
Carolina. She came to the Norfolk  
Naval Yard this afternoon for repairs,  
following her shaking down run to  
Guantanamo, Cuba.

## THREE IN THE RACE.

Triangular Fight for Police Justice in  
Fredericksburg—Other News.

[Special to The Times-Dispatch.]  
FREDERICKSBURG, Va., July 7.—  
Councilman Henry Dannoh, whose  
term expires on August 31st next, has  
announced himself as a candidate for  
the office of Police Justice in the No-  
vember election. There are two other  
candidates for the office. They are  
Messrs. W. K. Goodlick and W. G.  
Dennell.

Workmen on the foundation for the  
new \$35,000 public school building in  
this city dug up a number of relics  
of the bombardment of Fredericksburg  
in 1862 during the Civil War. Among  
them was a 12-pound cannon-ball, mus-  
ket barrel, a bullet, buckshot and  
two coins.

The supervisors of Spotsylvania  
county, in the regular meeting of the  
members of the new road law, at a meet-  
ing yesterday elected Bowen Embray  
as road superintendent of Chancellor  
District, Marmouke Lacy for Living-  
ston District, and George H. Morrison  
for Courtland District. The superin-  
tendent for Berkeley District has not  
yet been elected. The compensation for  
the superintendent of each district is  
\$2 per day while engaged in mat-  
ters concerning the road work.

Mrs. Kattie V. Carter, who instituted  
divorce proceedings in the Circuit  
Court of Spotsylvania county against  
her husband, Nelson V. Carter, has  
withdrawn her suit, and has returned  
to her husband.

## ATTORNEY IS EXONERATED.

Warrant for Burrow Sworn Out Under  
Misapprehension.

[Special to The Times-Dispatch.]  
NORFOLK, VA., July 7.—Attorney W.  
H. Burrow, who was to-day arraigned  
in the Police Court on the charge of  
embezzlement, referred by Paxton  
Pollard, a deaf-mute, was discharged.  
Mr. Burrow, who is a patent attorney,  
it seems, accepted a fee from Pollard  
for the filing of application some time  
ago for a patent, and, failing to  
promptly get the matter in Washing-  
ton, Pollard thought he had been swin-  
dled, and swore out the warrant. Bur-  
row was arrested late last night and  
bailed, pending a hearing this morn-  
ing.

Mr. Burrow explained to the court  
that some people are unreasonably  
hasty in desiring to get a patent  
through, and that it is a general rule  
to report progress in order to keep  
from being annulled. He made such  
a report to Pollard.

## WILL FIGHT FOR ARMORY.

Alexandria Light Infantry to Ask Dis-  
solution of Injunction.

[Special to The Times-Dispatch.]  
ALEXANDRIA, VA., July 7.—Attorney  
Samuel G. Brent said to-day that  
as soon as Judge Bailey, of the Cor-  
poration Court, returns to this city  
from Bath, county, Va., he will at once  
take legal steps to dissolve the injunc-  
tion issued restraining the Alexandria  
Light Infantry from using Armory  
Hall.

A temporary injunction for thirty  
days was issued against P. J. Murphy,  
captain, and W. W. Bernaine, lieuten-  
ant, of the Alexandria Light Infantry,  
preventing them from interfering with  
the officers of Company G, Seventeenth  
Virginia Regiment, recently organized.  
The Alexandria Light Infantry was re-  
cently disbanded for alleged ineffec-  
tency, and they held the keys until last  
night. Mr. Brent stated that he will  
take the matter to the Supreme  
Court of Appeals. An interesting legal  
battle as to which company has a right  
to the use of the hall is promised.

## FREDERICK COUNTY MAN CHARGED WITH ATTEMPTED ASSAULT

[Special to The Times-Dispatch.]  
WINCHESTER, VA., July 7.—George  
Marpole, a white man, thirty-five years  
of age, was arrested here to-day  
charged with attempting to commit  
criminal assault upon Mary Ritter, a  
white girl, only eleven years of age.  
He is in the lock-up.

It is said that Marpole, who is a  
married man, enticed the Ritter child  
into his home on the promise of pay-  
ing her 15 cents to sweep his room.

## Dates for Tansley Fair.

[Special to The Times-Dispatch.]  
ONANCOCK, VA., July 7.—The annual  
Tansley fair will be held August 4th  
with both dates inclusive. The privi-  
leges at public auction brought \$890.25.

## METHODISTS ARE ASKED TO MEET

Those of Petersburg to Gather  
Friday Night to Consider  
Denominational Affairs.

## RANDOLPH - MACON MATTER

Relation of the System of Schools  
to the Church May Be Consid-  
ered—Elks' Meeting.

Times-Dispatch Bureau.  
109 N. Bycomore Street,  
Petersburg, Va., July 7.

An important meeting of the official  
members of the Methodist churches in  
this city will be held Friday night in  
Washington Street Church. Notices  
to this effect were read from the pul-  
pits of all the Methodist churches on  
Sunday, and the attendance of the offi-  
cials was requested. It is said that  
at this meeting Methodism in Peters-  
burg and the erection of the proposed  
new Owen Memorial Church, in the  
western part of the city, will be mat-  
ters of discussion. It is also reported  
that the important matter of the re-  
lation of the Methodist churches to the  
Randolph-Macon system of colleges  
may be brought up for consideration.

A special session of Petersburg Lodge  
of Elks will be held to-morrow night  
to consider the proposition for a swim-  
ming pool, to be established in the  
rear of the Elks' home. Capital ac-  
cruent to establish this pool and the  
site has been the one obstacle to its  
success.

**City Receipts and Expenditures.**  
The report of the City Treasurer  
shows that the cash receipts of the city  
in the month of June amounted to  
\$1,415,000. The Auditor's report for the  
same month shows that the expendi-  
tures were \$38,474.95. The excess of  
expenditures over receipts was by re-  
ason of the settlement of all June ac-  
counts before the close of the fiscal  
year, and the payment of interest on  
bonds.

It is probable that the city will rent  
the old Blue Ridge cotton factory build-  
ing, on South Street, and fit it up as  
a temporary prison for the jail in-  
mates while the jail is being rebuilt.  
The contractors for the new jail are  
improving the old jail as they way to  
begin their work, but cannot do so  
until quarters are found elsewhere for  
the prisoners. The jail improvement is  
to cost about \$22,000, and it is to be  
made practically a new and much safer  
and healthier prison.

**Brief News of Interest.**  
The unpaid stock of furniture of the  
William Budd Furniture Company, was  
sold at auction yesterday by Receiver

## NEW SKIN REMEDY

Creates Big Stir; Drug Stores Crowded  
With Sufferers.

For several weeks past Tragle's and  
other leading drug stores in this city  
have been crowded with persons desir-  
ing a supply of poslam, the new cure  
for eczema. This is the drug which  
has created such a stir throughout the  
country since its discovery one year  
ago.

For the convenience of those who use  
poslam for pimples, blackheads, blotch-  
es, red nose, eczema, herpes, and other  
minor skin troubles, a special 50-cent  
package has been adopted, in addition  
to the regular \$2 jar, which is now on  
sale at all leading drug stores.

In eczema cases poslam stops the  
itching with the first application, and  
proceeds to heal, curing chronic cases  
in two weeks. In minor skin troubles  
results show after an overnight appli-  
cation. For a free experimental sam-  
ple, write direct to the Emergency Lab-  
oratories, 32 West Twenty-fifth Street,  
New York City.

Mr. O. W. Gilmer has announced  
himself a candidate for the office of  
High Constable of Petersburg, sub-  
ject to the Democratic primary of next  
year. Mr. John A. Mallory, the in-  
cumbent, will be a candidate for re-  
election.

It is reported that there will be sev-  
eral candidates before the Council for  
the office of port warden of the city,  
made vacant by the recent death of  
Mr. W. N. May.

Messrs. John T. Powers, William J.  
Rahilly and J. M. Newcomb, Jr., left  
last night for a week's visit to Atlan-  
tic City.

Mr. A. Elchberg, one of our old and  
honored citizens, celebrated his seven-  
ty-ninth birthday on the Fourth of  
July at his home on West Washington  
Street. He and his good wife had with  
them on the occasion his sons and  
daughters from several States. The re-  
union was a joyous one.

The doctor of the city, who are as  
skilful at playing ball as they are at  
practicing medicine, and who are  
of having defeated the lawyers on the  
diamond, will play a match game to-  
morrow afternoon with the retail clerks  
at the Riverside Park.

In the recent race, Riverside track  
there were four entries for the tri-  
umphant match in the 2:40 class. Mr. R. L.  
Chambers' horse, Wonder, of Peters-  
burg, won the three straight heats  
over a muddy track, beating his com-  
petitors, some of which have fine re-  
cords. Time, 2:36, 2:34, 2:36.

## RESPOND FOR THEIR STATES.

Unique Celebration Held at the Uni-  
versity Summer School.

[Special to The Times-Dispatch.]  
CHARLOTTESVILLE, VA., July 7.—

Students and faculty of the University  
of Virginia Summer School assembled  
in Cabell Hall yesterday from 11:45 to  
1:30, and united in a most appropriate  
Fourth of July celebration, the large  
delegation of Virginia teachers and  
students representing Virginia as the  
hospitable hostess receiving her visi-  
tors from sister States. Twenty-four  
States and three foreign countries  
were represented in the more than 700  
students in attendance.

The several State delegations occu-  
pied assigned positions in the amphi-  
theatre, and in a body or by a repre-  
sentative, responded to the toast, a  
speech or a song as their names were  
called from the rostrum. The ladies  
and gentlemen from the Blue Grass  
State sang "My Old Kentucky Home";  
those from North Carolina sang "The  
Old North State"; those from just  
north of the Potomac sang "The  
Old Dominion"; Maryland, "My Mary-  
land"; South Carolina and other States  
also had their songs. One of the fair  
damsels from Georgia held fondly in  
her arms a real Georgia watermelon.

The single representative of Arkansas  
responded in a beautiful little poem  
which was really an invitation to come  
to the sunny State beyond the Great  
River, in order that the Virginia hos-  
pitality might be returned. The man  
from Mexico made his speech in Span-  
ish; the one from Greece sang in his  
native language the national hymn of  
his storied country, and the man from  
Missouri was there, too.

Although the national holiday was  
most happily celebrated, Virginia, the  
Mother of States and of Statesmen,  
welcomed to the home town as the first  
sons who honor him as the first  
great voice of national independence  
and unity.

## McCLURE ADMITS GUILT.

Says He Was Drinking When He Broke  
Into Lynchburg Churches.

[Special to The Times-Dispatch.]  
LYNCHBURG, VA., July 7.—In the  
Corporation Court to-day William Mc-  
Clure, who claims to have been Peters-  
burg, and who was found several weeks  
ago asleep in St. Paul's Episcopal  
Church, pleaded guilty before Judge  
Christian to the charge of breaking  
and entering that church as well as  
the First Baptist Church. McClure was  
charged with stealing three keys in St.  
Paul's Church, and \$5 worth of ice  
from the First Baptist.

He claimed that he was under the influence of liquor  
when he entered both of the churches,  
and that he knew nothing about either  
visit. Judge Christian held judgment  
in the cases in abeyance for the pres-  
ent.

Robert E. Gish was appointed and  
qualified as administrator of the per-  
sonal estate of Mrs. Sarah B. Spence,  
whose death occurred in the city two  
weeks ago. The bond required in the  
case was \$34,000, and it was executed.

## WAS A CHARLOTTE YOUTH.

Young Man Killed by Train at Alexan-  
dria Identified as Charles Black.

[Special to The Times-Dispatch.]  
ALEXANDRIA, VA., July 7.—The  
remains of the unidentified youth who  
was killed by being struck by a rail-  
road train near the new union passen-  
ger railway station June 28th, and  
whose body was buried in Potter's  
field, Alexandria county, were this af-  
ternoon disinterred and identified by  
a brother of the deceased as being  
Charles H. Black, the fifteen-year-old son  
of C. A. Black, a prominent resident  
of Charlotte, N. C.

The brother said the lad left home  
the night he was killed. It is supposed  
that he had started out on a tramping  
expedition. The remains were to-night  
taken to the home of the brother, who  
stated that he would be buried in the  
family vault.

he went right into the regular business  
of the term.

ize.
